

The diagram shows a tri-fold business card layout. It is divided into three vertical panels. The left and right panels contain the word 'INSIDEE' and 'FOLD' respectively, written vertically in large, light grey letters. The middle panel contains the word 'SHEETS' written vertically in large, light grey letters. A red line is positioned at the top of the middle panel, with two arrows pointing outwards from its top edge. A blue line is positioned horizontally across the middle of the card, with a long double-headed arrow extending from it across the entire width. Two green lines are positioned vertically, one on the left and one on the right of the middle panel, with arrows pointing outwards from their inner edges. Text boxes with arrows point to these lines, explaining their function: the red line is the cut line, the blue line is the safety line, and the green lines are the fold lines. At the bottom of the middle panel, the finished size and size with bleed are specified.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED

**FINISHED SIZE - 5.6875X10.5
WITH BLEED - 17.125X10.625**
